## Netball Kit

All kit orders will be for the new style kit which will be ordered from Kukri. There is a minimum order number and once orders are confirmed it takes approximately 2-3 months. Unfortunately Kukri has increased their prices for the kit, but as a club, we will continue to pay for the postage and VAT. Therefore the new cost will be £30.

Options available are as follows:

- Hire kit - £10 deposit required for the season. Includes top and skort. Deposit will be returned at end of season if kit is at an acceptable standard.
- Buy kit - £30 for the top and skort (sizes below).
- Buy kit - £40 per dress (exact sizes are required; no returns for incorrect sizing).

If you would like to make a purchase, please complete the section below and return to your netball coach.
